From

Superintendent, Government Stationery,

To

K. Matthan, Esq., B. A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to state that the marginally noted articles of Stationery, approximately as per - quantities indicated - against each article, are indented twice a year by the Deputy Commissioners of Districts at the time of the Mysore Local Service and Pleaders' Examinations that are held in May and December each year, and are being supplied by the Stationery Depot as per para 8 of G.O. No.G. 156-70/ G. M. 319-06-1 dated 5th July 1907. As the Government order does not give details of the articles to be supplied, the Deputy Commissioners are indenting for all ~~kinds~~ articles including periodical articles such as penknives, black lead & colored pencils, ink bottles and holders, which according to Stationery Rules are to be supplied once in stated intervals and not -

Draft foolscap	9- 6-0
Blotting paper	0-12-0
Brown cartridge	1- 6-0
Badamy Demy	0-14-0
Nibs	1,231
Black Lead Pencils	13
Colored Pencils	11
Thread Reels	10
Needles	6
Candles	70
Sealing Wax	118
Tags	900
Penknives	3
Holders	83
Ink Glasses	36
White Tape Skiens	44
Black Ink Powder	12 packs
Red Ink Powder	3 packs

regularly once or twice a year. For this reason/ these articles are considered returnable by the Deputy Commissioners after the Examination is over, but in spite of several reminders they are usually not being returned. In this manner, a ceaseles and unnecessary correspondence goes on between this office and th Deputy Commissioners, with the result that whereas we supply periodical articles valued at about sixty rupees per annu scarcely any article is returned. Thus there is a loss to Government every year of about Rs. 60/- on this account.

I therefore request that the supply of periodical article such as ink bottles, pen-holders, penknives and pencils may be ordered to be discontinued, the Deputy Commissioners making thei own arrangements temporarily to collect these articles from the various offices under their authority in the district for use during the period of Examinations, as is being done in Bangalore, where the Stationery Depot supplies these articles and recovers them at once as soon as the Examination is over. As the numbe of candidates in the District Head Quarters is not large, the collection of a few pen holders, knives and ink bottles locally cannot present much difficulty.

I request that favourable orders may be kindly passed early.

I have the honor to be,

Sir,

Your most obedient servant,

Superintendent.
